Air Law Of The Ussr

The Soviet Union only had Ground Forces, Air Forces, and the Navy in 1945. The two Narkomats, one supervising the Ground Forces and Air Forces, and the other directing the Navy, were combined into the Ministry of the Armed Forces in March 1946. A fourth service, the Troops of National Air Defence, was formed in 1948.

Soviet Armed Forces - Wikipedia

Aviation law is the branch of law that concerns flight, air travel, and associated legal and business concerns. Some of its area of concern overlaps that of admiralty law and, in many cases, aviation law is considered a matter of international law due to the nature of air travel. However, the
