Provide an early warning to workers exposed to potential airborne releases of beta-emitting particulates when using Thermo Scientific AMS-4 Beta Air Monitor. Lightweight and robust design accommodates both fixed and portable use applications.

AMS-4 Beta Air Monitor - Thermo Fisher Scientific
According to the author, an instructor's packet with PowerPoint slides and a laboratory manual are both under development. I only found one major error, an incorrect description of phase-locking. At present, I know of no better choice for a senior-level textbook in synoptic meteorology and weather forecasting.
