Beginner Car Driving Tutorial Guide

Sure, almost all of us now have GPS systems, smartphone apps, or in-car intelligence that can provide us with directions to even the most obscure destinations. But just in case, it is nice to know how to read a map. You know, the type that is printed on paper. That is impossible to re-fold and takes up valuable space in your glove-box.

How to Read a Map of the Road: 6 Lifesaving Tips

Straighten the steering wheel. As your car moves into the empty parallel parking spot, slowly straighten your steering wheel as you continue to move backwards towards the parked car at the other end of the parking space. As you are maneuvering your vehicle, continuously check all mirrors and through your windows and front windshield to ensure you are not in danger of hitting either of the ...
