The history of Poland from 1945 to 1989 spans the period of communist rule imposed over Poland after the end of World War II. These years, while featuring general industrialization, urbanization and many improvements in the standard of living, were marred by early Stalinist repressions, social unrest, political strife and severe economic difficulties.. Near the end of World War II, the ...

Palestinian refugees hope Gaza solidarity boosts cause

Introduction After such a wonderful experience at Jericho, chapter 7 is surprising to say the least. Suddenly we are presented with a series of failures that stand in striking contrast to the victories of the past six chapters. But how instructive this is if we only have the ears to listen to the message of this chapter. The thrill of victory was so quickly replaced with the agony of defeat.

Counterfire is a socialist organisation committed to building the biggest possible movements against a system that is creating more and more crisis and misery. Whether or not we get real change depends on wider struggles in society, it depends on mass movements, popular protests and on workers taking action. We believe that this kind of popular opposition requires a dynamic extra-parliamentary ...
