What Our Posthuman  
Future curiously fails to  
do is to develop the  
political economy of  
the biotech industry in  
which these decisions  
will be made. If human  
nature is what has  
created our current  
institutions, then  
Fukuyama must  
engage with human  
nature in designing  
new institutions  
capable of advancing  
his objectives.
