Craftsman is a brand of hand tools, power tools and power equipment sold by Sears. Craftsman snowblowers, like all gasoline-powered equipment, require lubricating oil for operation. Craftsman recommends changing the oil in its snowblowers after the first five hours of operation and every 50 hours thereafter.

Free McCulloch Chainsaw User Manuals | ManualsOnline.com

Mowing: I use a four foot finishing mower even though it can pull a five foot. My yard has very steep grades and the four foot seems safer. It is not about the power, but more the mower weight. I live on the side of a mountain. The CK20S weighs in with the loader around 2700lbs which is about all you want on your yard.
