The Templars And The Shroud

There are two theories that relate to the Templars having been involved with the Shroud, one, which would support the authenticity of the Shroud and another, which would refute it. In 1204 the Crusaders sacked the city of Constantinople. Among them were the Knights Templar, whom some scholars contend took the Burial shroud of Jesus from the city.

The Templars and the Shroud of Turin - Templar History

For a certain period in history, the Knights Templar—the most powerful military religious order of the Middle Ages—secretly guarded the Shroud of Turin. Worshipped in a relentlessly secret manner, and known in its intimate nature by only a handful of the order's officials, the swathe of fabric was kept in the central treasury of the Knights Templar, who were known for their expertise in the field of relics.

The Templars and the Shroud of Turin. As far as I can tell, the Templars became attached to the story of the Shroud of Turin through a coincidence. Since the shroud has become part of the lore of the Templars we'll need to go over the history of it, as far as is known. I have no intention of exploring what the shroud is or how, when, and where it was made, only the way the Templars were brought into its orbit.

The Templars and the Shroud of Turin - The Real History ...

Many passages in this book will, for this reason, refer to the Shroud as to the chief relic of the Passion, for that is how the Templars saw it. In 1988 the cloth was subjected to a radio-carbon dating test called C14, which gives reliable results, albeit with some margin of uncertainty, the object has been kept in particular conditions and has not suffered contaminations from organic materials.
