Answers for University of Phoenix Math/117 Final Exam?

I am at my wits end with math. I have tried tutoring and studying and it never seems to work. I am, in no way, a math major, and am just trying to finish my associates so I can transfer. I still have to complete math 096 (intermediate algebra) and math 105 which is the actual college level. Once I pass these I am forever done with math. My question, in regard to University of Phoenix (or any ...

I need help! I failed a math class, and I know it is my responsibility to repay it, I intend to, but at what cost? I have heard of people paying out of pocket, and getting ripped off. I have heard the school is a scam, and if students want to leave, the school will not release transcripts. I need to know if it really is worth the 1,180 dollars to pay for my failed class, or am I making a BIG ...
